FARTS and PEECES

ASSHOLE OF THE MONTH

The difference between an old, white, calcified plank of dog turd and old, white, fossilized Sheriff of Hamilton County, Ohio, Simon L. Leis Jr. is that after a few decades, dog shit doesn't stink anymore. Leis, however, is a crap of a more redolent color.

Grave emanations are again rising from the city of Cincinnati in Hamilton County. The smell, though distant and ancient, is familiar to the experienced nostrils at HUSTLER Magazine. The peculiar bouquet of repression, ignorance and aesthetic fascism native to the morality watchdogs of Hamilton County is a stench once sniffed, never forgotten. Particularly rank and recognizable is the strident strain of ex-judge and former prosecutor Sheriff Simon's rectal rhetoric. We know how to pick an Asshole, and we never forget a scent; therefore, Simon L. Leis Jr. is basking in the slime-light again, as Asshole of the Month for August 1990.

The recent fecal furor in Cincinnati over an exhibit of dead homosexual Robert Mapplethorpe's photography—resulting in temporary closure of the show and museum director Dennis Barrie being charged with pandering obscenity—is no surprise to anyone who weathered the shit-storm of 1970s Hamilton County censor-

Simon L. Leis Jr.

ship. Then-prosecutor Leis, appearing in court wearing Marine combat boots—the better to trample your Constitution with—was the major feces-factory of the day. In league with such sanctimonious giants as savings and loan defaulter Charles Keating, Leis pursued a personal vendetta against sexual freedom in his county, vigorously prosecuting Columbus, Ohio-based Larry Flynt for crimes that Leis epitomized as those of a man who would "make fun of Santa Claus."

The April 9, 1990, edition of *Newsweek* characterized Leis as having "successfully prosecuted

HUSTLER Magazine publisher Larry Flynt in the '70s." Success is relative.

A higher court overturned Leis's Hamilton County kangaroo conviction of Mr. Flynt, but the warrior for decency, in a perverse double rape of justice and freedom, did succeed in sliding his greasy member up the rights of every adult in the country. Leis successfully jailed Larry for publishing HUSTLER Magazine in a supposedly free country. He succeeded in banning HUSTLER from Hamilton County stores. He succeeded in riding the obscenity circus to a judgeship, and his success in

nurturing a climate of fear and repression is still bearing fruits nationwide, more than a decade later.

The Mapplethorpe controversy, in which police swept through the Cincinnati Contemporary Arts Center, ordering 400 visitors to leave, is remarkable in that any controversy exists at all. Mapplethorpe, a gay celebrity of the art world and victim of AIDS, possesses in death the ultimate "politically correct" credentials. Leis's mistake was in persecuting a proclaimed martyr of the liberal, activist, intellectual, influential media community. The simple sheriff will do better to stick with busting lowly skin mags, publications whose rights of expression can be chipped away with no public outcry.

More than 23,000 art lovers turned out to view photographs termed "criminally obscene" by Leis. Hundreds of Cincinnatians protested storm-trooper tactics by the sheriff's minions, and censure in the national press has been swift and severe.

But what of the millions of Americans who read adult magazines every month? Have they no voice? What forum champions them as the Simon Leises smear Asshole grease on their Bill of Rights? This silence is the truly criminal obscenity.

FARTS IN THE WIND

Charles Rothenberg—Rothenberg was convicted of burning his then-six-year-old son nearly to death in 1983. Currently paroled at a cost to taxpayers of \$18,000 a month, Rothenberg contacted the *L. A. Times* to complain that he is lonely and that he loves and misses his son. Rothenberg's ploy for a little sympathy garners an Asshole commendation.

Evan Mecham—The inoperable hemorrhoid that is impeached Arizona governor Evan Mecham has flared again. Indictments and censure have

proved to be only stopgap measures with this chronic piece of butt gristle. Like a bread turd that refuses to flush, Mecham has risen again and is actually running for governor of Arizona! If he wins, the whole state's an Asshole.

King Baudouin of Belgium—The burden of monarchy was too heavy for King B.'s regal shoulders when a bill went through Belgium's parliament legalizing abortion. Rather than be

tainted by the law, Baudouin stepped down from the throne for two days while the measure was passed. Baudouin's weasel gesture is the act of a royal Asshole.

Bob Martinez—The embattled Florida governor, rather than campaign on his record of increased racial strife, economic chaos and virulent crime, is blitzing the media with attacks on rap music and playing up the claim that he signed 90 death warrants in his first term. This campaign of fear-mongering wins a vote of Asshole.

PISS WHIZZ

Real men understand the twisted pleasure of taking aim at poop-stained toilet skid marks. The Olympic committee, long obsessed with urine testing, has finally sanctioned this talent as an official sport. *Piss-crossing* is catching on fast; so practice every day—just try not to get any on the seat—and go for the gold.

IF YOUR PENIS COULD READ, HE'D READ HUSTLER

You might also catch your penis watching a copy of *Me and Him* on videocassette (RCA Columbia Home Video). In the story, Griffin Dunne's penis has stopped speaking to him. To get back on his dick's good side, Dunne treats it to a copy of HUSTLER, the magazine that talks your cock's language.

BEAT THE DEVIL

What's up, HUSTLER? Thanks for the magazines. I liked the cartoon in the March issue (*Manson and Ramirez at the Movies*, March '90). Ha! Hope I'm never Asshole of the Month though. Asshole of the Year would be cool. You guys got a rad magazine. Fucking intense.

—Richard Ramirez
San Quentin, California

HELL, HE'S OUTRAGED!

Your magazine is the most disgusting piece of shit on the newsstand. I used to be a big fan of yours when your magazine first came out, but now it's fucking nauseating. Printing such shit as some sicko bitch who gets off on eating her pets with her fucking bum-fuck Egyptian mother-fucking gramps, or some needle-dick California sicko who gets off on dead babies makes me puke ("This Is Disgusting"; "Even More Disgusting," *Feedback*, May '90). You pussies will probably give me some smartass reply, a brave bunch of sons of bitches while you're licking some faggot's asshole, but if you were right down the road, I'd stomp the shit out of you Satanist perverts. If you have balls enough to print this and give me some pussy-ass reply, I don't give a fuck. I'm not wasting another \$5 on this sickening shit. I want to see and read about pussy, and there are plenty of other mags that'll give me what I want. So rot in hell. P. S. If you want to help your circulation, bring Honey Hooker back.

—R. H.
Ayden, North Carolina

Gee. And we were just about to send every HUSTLER reader in Ayden a free subscription.

AHH! SATISFACTION

I had to write about your May 1990 issue. I love watching girls go at it with each

other. Sabrina and Selena in *Toe Jammers* were hot, but *Pussy Melt*'s Bobbi and Talitha were even hotter. The hottest babe in the issue was your *Rebel With a Clit*, Roxanne. I wouldn't mind riding with her through those Arizona wide-open spaces. I would love to see more of her fantastic body in upcoming issues.

—L. C.
Bristol, Pennsylvania

Thanks for writing, L. C. By the way, how did you ever make it past "This Is Disgusting" and "Even More Disgusting" in the May Feedback?

REAL CONTROVERSY

I'm pissed. In the news lately, people are talking about the Robert Mapplethorpe photo exhibit coming to the Contemporary Arts Center in Cincinnati. This exhibit contains such subject matter as a

Pussy Melt

man sticking his fist and arm up another guy's asshole, and a man pissing in another man's mouth. The city is divided on the issue of showing it or not. I call such photos sick, obscene and degrading, but I believe people have the right to see it and judge for themselves. What I'm really pissed about is that Cincinnati officials can allow this exhibit, but they can't allow HUSTLER Magazine to be sold here in Hamilton County. I'm ready to raise huge hell in this case. Please help me bring HUSTLER back to Cincinnati.

—E. B.
Cincinnati, Ohio

We suggest you write your U. S. senator, c/o The U. S. Senate, Washington, D. C. 20510.

ANIMAL LOVER

How dare you print such utter fucking tripe as that asshole who wanted to be a man (*I Love a Woman With a Cock: Busting a Sex-Change Cherry*, February '90)? If she wants to gobble gash, why go to all the bother of having a pseudocock sewn on?

HUSTLER has lowered itself with the low, the fucking low. I tore out them pages; they should have been shit on, but I was dry. The nerve of that fucking bulldyke. What happens if she wants to be something else now, say something from the animal kingdom? How about a kangaroo? Will faithful HUSTLER readers put up with a gagging article about how she had her false phallus sewn onto the back of her ass for a tail, or her nuts emptied

What kind of fucked-up doctor would lower himself to perform such a disgusting operation? —D. B., A. L., J. A.

Castlegar, British Columbia

You guys will love a special pictorial earmarked for our upcoming "Tribute to Canada" issue. We've got exclusive photos of a bull moose that used to be a cow, but before that was an ordinary couch potato, and now wants to be a doctor specializing in sex-change operations. Hot stuff. Hope it's not stopped at the border!

EASY TARGET

I'm writing about your *Bits & Pieces* item about the women-killing sniper in Canada ("Women. Can't Live With 'Em, But You Can Shoot 'Em," May '90). It's time to quit toying around with my right to keep and bear arms. This right means a lot to me, and I don't want to see any negative bullshit on weapons anymore. It's a hard enough battle as it is. Just remember, you may have to count on me someday when it comes to preserving the First Amendment, know what I mean? If I see one more article or parody like this, you can shove this mag up your ass! —G. G.

Fort Campbell, Kentucky

How about not being quite so dumb? The so-called .223 Ruger rifle in *Bits & Pieces*, normally my favorite part of HUSTLER, was certainly not made by Ruger ("Women. Can't Live With 'Em, But You Can Shoot 'Em," May '90). They do not, to my knowledge, manufacture a copy of the AK, which is what you have pictured. The .223-caliber rifle made by Sturm, Ruger, Inc., called the mini-14, is a different firearm altogether. Ruger is one of the few gun manufacturers that builds guns of decent quality for a decent price. You have done them a disservice by associating them with a weapon of such a sinister appearance and reputation as the AK series of Communist Bloc assault rifles. It also shows me that you're pretty fucking ignorant. —R. M. C.

Somewhere at Sea

Christian Gore, editor of the Bits & Pieces section, admits that he doesn't know anything about guns other than that they are often penis substitutes in movies. "So shoot me," he says, sort of apologetically.

CHILDHOOD DREAM

I subscribe to HUSTLER Magazine, and I was wondering how I could go about becoming literate in pornographic special

effects. For instance, how do your male models maintain erections during photo sessions? I was also wondering how the director of professional pornographic films gets the male actors to come on cue. Do the actors use lubricants, and, if so, what kind? Do the female actresses enema their asses so that butt-fucking shots stay clean? How do female actresses go about obtaining lactating bosoms? —E. L. G.

Atlantic City, New Jersey

You ask a lot of questions, E. L. G., and we can't answer a single one of them. Either your questions are stupid or we are. One thing we're sure of: HUSTLER Magazine is king, and HUSTLER readers ain't stupid. We'll leave it at that.

BLACK IS BACK

Your May issue, featuring the Batsnatch, was hot (*To the Batpole!*, May '90). Penny Morgan, alias Serina Robinson, Michael Keaton's cum-doused flame, does her best with a black stud. I was glad to see special mention of Ray Victory as the runner-up to Best Actor in your porn-movie poll. How about some interracial couples in HUSTLER? Your magazine is the only one around that caters to everyone's sexual fantasies.

—A. C.

New York, New York

BUTT IN

I have a bet with the guys here at Ely State Prison that you won't print this. I have always loved your magazine. It doesn't bother me that you have increased your advertising pages. My complaint is that, as of March 1990, there have been no decent asshole shots at all! Shadows and angles don't count. The April '90 edition had the intensely gorgeous Amber Lynn (*Amber Lynn: Both Ends Smokin'*), but her asshole was covered by her hand, not once, but twice! In May '90, I went berserk. Here is this fucking beautiful babe, *Butt Cherry*, named Kitty. Not even one shot of her butthole! Then along comes June '90. The only thing close to a butthole shot is covered up by a girl's hand in *Paris Match*. What gives? —D. G. S.

Ely, Nevada

You missed page 38 in the June '90 issue, where a ripe, rosy asshole greets the light of day. Keep looking. More HUSTLER girls are bending over in 1990.

Do you have a comment, suggestion or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to Feedback, HUSTLER, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a phone number if you want your letter considered for publication.

PLAY ME

Three-Quarters Erect. Directed by Paul Thomas; starring Deidre Holland, Champagne, Tianna, Jon Dough and Randy West. Videocassette: Vivid Video.

The cast list alone sends a trill of anticipatory delight to a smut-junkie's pleasure centers. Champagne: a cherub-chested angel face with piercing jewelry in her cunt flaps. Tianna: the ream industry's fastest-rising raunchette. Deidre Holland: a Dutch-tart treat, tanned and sleek, imported via Australia. All three in one pic, uncluttered by secondary scags uglying up the proceedings. Eye-pleasing, pud-appealing action is expected and delivered. Champagne leads Randy West's divining rod on a merry chase; Tianna flattens on her back with her face under West's testicle sac as Holland sucks and jerks a stream of jizz out over Tianna's chin; Champagne has quick connubial nookie with Dough; Holland and Champagne chew heavenly holes; and Dough dips his dick in Deidre's slit. Does that sound perfect? It almost is, except director/writer/producer Thomas insists on devoting yawning stretches to actors portraying his version of *The Big Chill*, when all we want is the little shiver of orgasm. —Christian Shapiro

Chewing a heavenly hole.

Dutch tart Holland almost makes **Play** perfect.

PYROMANIAC

SOHO VIDEO

PYROMANIAC

Three-Quarters Erect. Directed by Henri Pachard; starring Sharon Kane, Victoria Paris, Kelly Royce, Jon Dough, Randy Spears, Joey Silvera and Natasha Skyler. Videocassette: Soho Video.

Sharon Kane is one hot bitch—in more ways than one. She's horny enough to be blindfolded by hubby Randy Spears, who talks dirty to her while he sticks his dick in her mouth, shoves it in her snatch, and then makes his "cum puppy" beg for a load on the chin. She's also hot—as in pissed—after her voyeur neighbors pop out from behind the sofa. Revenge is sweet for steamy Sharon, who talks Victoria Paris into using her huge,

juicy tits as landing pads for melting candle wax. The pain/pleasure of the ultra-hot liquid sends the boobious one into orgasmic convulsions. Unsatisfied, Paris and Kelly Royce team up for some mild S&M, a kinky twist that adds some heat to their mandatory lesbo scene. All hell breaks loose when Kane invites Royce and Silvera over, and then sets their groins on fire before burning down the house around them. Silvera is too busy fucking Royce to worry about his smoldering future. Nero would have been proud.

SATURDAY NIGHT SPECIAL

Three-Quarters Erect. Directed by Henri Pachard; starring Randy West, Brandy Alexandre, Joey Silvera, Jon Martin, Bionca, Cheri Taylor, Sharon Kane, Kim Alexis, Renee Morgan, Pamela Rose and Ona Zee. Videocassette: Dreamland.

The sex in this Chinatown knockoff is about as good as video porn gets. The great-looking girls fuck like demons, digging mouths and cunts into cock like

A **Special** nut-busting ride.

they mean it, pitching in spicy and perverted tidbits. Renee Morgan flicks her tongue with excitement as she gives Jon Martin an energetic blowjob, and squiggly fuck Sharon Kane is right there lapping it all up, egging Morgan on, then bending over so Jon can give her asshole a licking. Kim Alexis squirms and twitches like a porked epileptic. Older woman Ona Zee screws like a college coed. Cheri Taylor, a squirmer par excellence, turns up her ass-shaking, titty-jiggling style during a wild ride on Randy West. Nut-busting potential is met with some judicious fast-forwarding.

BACKDOOR TO HOLLYWOOD 11

Half Erect. Directed by Gordon Meer; starring Kimberly Kane, Rachel Ryan, Jeff Golden, Marc Wallace, Tom Byron, Dusty Rose and Rebecca Steele. Videocassette: Cinderella.

Cinderella has a special formula for this series of butt-fucking tapes: two ass-reaming scenes, then a girl/girl scene, then two more anal excursions. In this episode, dead-ringer for Megan Leigh's mother Kimberly Kane eagerly tongues Jeff Golden's furry anus before he returns the favor by dog-humping her asshole; Tom Byron inserts his bloated prick into Dusty Rose's backside; Rebecca Steele chews Rachel Ryan's clit; Wallace and Golden double up on Steele before using her face for a cum target; and finally Ryan lets Wallace stick his hornlike prong into her wazoo. Of course, there's nothing wrong with rote reamings, if you like your porn short on plot and long on greased assholes being spelunkered by turgid rods, the violated screezehounds lapping up the resultant spume like drugged kittens.

—Jody Davis

AMAZING TAILS 4

Half Erect. Directed by Patti Rhodes; starring Erica Boyer, Tami Monroe, Brad Armstrong, Suzy St. James, Tom Byron, Kim McKay, Nina Hartley, Peter North, Viper, Cal Jammer, Marc Wallace, Rebecca Steele and Wayne Summers. Videocassette: Caballero.

Tails 4: Not quite amazing enough.

Usually if a contemporary porn tape has the word *tail* in its title, it signifies that Rachel Ryan has agreed to open her yawning butt-hole one more time to take a reverse-shit of turgid dick turd. While the absence of Rachel's permanently stretched rectum is not the most amazing aspect of *Tails 4*, it is second best. The fact that *Amazing 4* cannot by a long shot be considered a bona fide bungler-boning anal tape is less amazing than it is pathetically disappointing. The only true amazement of the entire proceeding is the dual pussy insertion and subsequent shitter and pussy-slit simul-cram whipped on do-anything Viper by the vicious dicks sticking straight out from Cal Jammer and Marc Wallace. The thoroughly skewered Viper bleats like a lost little ewe that has wandered into a pen of rutting rams, and she probably isn't faking her squeals of duress. Unfortunately, the rest of *Tails 4* looks like Swedish Erotica outtakes, which is not quite amazing enough.

UNCUT DIAMOND

One-Quarter Erect. Directed by R. U. Hardyet; starring Debi Diamond, Tianna, Mandi Wine, Jerry Butler and Peter North. Videocassette: Intropics.

Some men opt for quality; others pursue quantity; neither grouping will be satisfied by Diamond. Though taking up just as many precious moments as regular raunch-and-ream entertainment, it oozes only half the slime. Much of Diamond's so-called action is there to fill and kill time. Slipped into the empty filler moments are stock shots of thighs and crotches, some with spoot, none with identifiable humans. Confirmed carnalists are confined to Jerry Butler dripping off in Tianna's wrinkled shit-hoop while Mandi Wine chews Debi Diamond; Diamond with a leg up for access of Peter North's log; and Butler pud pummeling from behind to skim goonch on Debi's nates. This diamond is only uncut because it had nothing to slice. —Kurt Blume

STUDIO SEX

Three-Quarters Erect. Directed by Edwardo Dinero; starring Cheri Taylor, Tianna, Bionca, Carol Cummings, Kiki, Marc Wallace, Randy West and Randy Spears. Videocassette: Pink Quality Video.

From the searing opening scene where Randy Spears pulls love beads out of Bionca's awesome asshole with his teeth and then dicks the daylight out of her, to newcomer Kiki's bunghole-boning from Marc Wallace, *Studio* is a ball-blazing bonanza. What happens when a nude photographer goes on vacation and his amorous assistant takes over, screwing naive waifs who wander in? Wallace, the assistant, twat-torques Cheri Taylor in a heated humper that ends with a terrific tit-fuck, with spritz spraying from Taylor's chest to her chin. Randy West scores solidly with his acrobatic angling of Tianna. He holds her upside-down for clit-chewing, then pogos her on his tool for gash-grinding gymnastics at its best. A double-headed dildo dalliance between Tianna and Taylor is good for a stroke, while the Spears/Carol Cummings coupling that closes the tape is bland but mercifully brief. *Studio Sex* is pure meat-beating enjoyment. —Sam Lowry

Swedish 3: Vive le sameness.

SWEDISH EROTICA 3

Three-Quarters Erect. Directed by Patti Rhodes; starring Tami Monroe, Joey Silvera, Jon Dough, Tom Byron, Suzy St. James, Tanja deVries, Mark deBruin, Tori Welles, Porsche Lynn, Mandi Wine and Jacqueline. Videocassette: Caballero.

Judging from the freely porking populace of this tape, Sweden is a country much like California's San Fernando Valley, a region peopled with putz-popping porn studs and their itchy-pussy female counterparts. Festivities begin with munchkin muff Tami Monroe twisting her titties and tush to tease a cock-stirring stick in the puss from Joey Silvera, and extend through sparkle-eyed blond doll Suzy St. James sliding her twat and tongue along the tools of Tom Byron and Jon Dough; temptingly toned Tanja deVries offers her puffy, bun-swaddled quim for a rigid Mark deBruin rutting; squealing squawks Tori Welles, Porsche Lynn and Mandi Wine initiate a suspiciously adept Monroe into the intricate aspects of girl-on-girl gymnastics; and Silvera comes home from work to jerk his dork between the tits of a bewigged Jacqueline. Vive le sameness. —C. S.

GILLIE'S ISLE 1: THE CASTAWAYS

One-Quarter Erect. Directed by Milton Ingley; starring Scott Irish, Lynn LeMay, Bionca, Tina La Tour, Ziarie, Scott Baker, Rick Savage and Big John. Videocassette: Gotham.

Anyone considering a career as a smut-screen stunt fucker should heed one piece of advice: Beware of a director named Milton Ingley. Milt may have a love of the medium and a genuine affection for the people involved in having sex in it, but he shows none in a good light. Whoever dressed Lynn LeMay's hair (it looks like a brittle, straw-colored patch of seaweed) must bear some sort of grudge against her. The person responsible for Bionca's makeup did her no favors. Tina La Tour, a dowager dutifully dicked by Scott Irish (young enough to be her eldest son), is shown to have a nonelastic pussy that hangs gaping open when dick inadvertently falls from it. Sex is also given a brutal treatment by Ingley & Co. The fucking of *Gillie's Isle*, beginning with Lynn LeMay's apparently painful pronging from Rick Savage, looks more like work than most jobs. *The Castaways* is a throwaway. —C. S.

SMOKE SCREEN

Three-Quarters Erect. Directed by Stuart Canterbury; starring Megan Leigh, Nina Hartley, Robert Bullock, Jesse Eastern, Renee Summers, Jade East and Scott Preston. Videocassette: *Caballero*.

When Megan Leigh is acting, her mind is somewhere else. When she takes off her clothes, reveals sexy black undergarments and spreads her milky thighs, we see where her mind is: on fucking. Fortunately, *Screen* starts off with a sexy Megan strip. Hopping into bed with Robert Bullock for a steamy bash, Megan moans, wiggles and juices up her snatch, deep-throating his cock and taking a big, gooey gusher right on the lips. Megan grabs his drippy dick, shoves it into her mouth and sucks out every drop of pecker juice. The tape then goes through a series of so-so fuck scenes where the plot is presented: something about Bullock managing a rock band and fucking one of the singers. Forget it. Rest the wrist until Megan does her final fling outdoors. —R. K.

Smoke: Summers tickles her tonsils.

STRANGE CURVES

Half Erect. Directed by John Leslie; starring Victoria Paris, Joey Silvera, Buck Adams, Ray Victory, April West, Scott Irish, Sasha Strange, Kelli Warner, Charli and Tom Byron. Videocassette: *VCA*.

The good news about Victoria Paris is that she's even fucking blacks and Scott Irish now; perhaps soon she'll go so low as to give some of it away to the rest of us. An idle dream certainly, but *Strange Curves*, with its yawning expanses of no-fucky storyline, gives plenty of time for the idle dream. The abstracted visionary should be sure to set an alarm to snap him out of his reverie intermittently to catch *Strange's* several brilliant flashes of raunch. Paris's pair of rabid reams—one at the glands of Buck Adams and Ray Victory, the other under the cum of Irish—are typical of the carnality to be found fleetingly throughout. Joey Silvera treats his schlong to the slots of three prime twats in two putz-percolating trysts, and Tom Byron splurges his spuzz with a quality cutie-puss, but *Strange Curves* hides the action behind a maze of lame turns. —K. B.

Curves: A maze of lame turns.

CALIFORNIA TABOO

One-Quarter Erect. Directed by C. L. Solomon; starring Nina Hartley, Joey Silvera, Shanna McCullough, Jeanna Fine, Breezy Lane, Ron Jeremy, Christen Carson and Don Fernando. Videocassette: *VCA*.

Porn flicks have a formula all their own: Plot doesn't matter, as long as there's plenty of fucking. *Taboo* takes the formula to thoroughly bungled levels. Joey Silvera, the father of a kinky Southern California household, likes watching his daughter (Christen Carson) masturbating in the bathroom. The maid (Shanna McCullough) catches him peeping; so he gives her a nice, gooey wet-shot on the face to keep her mouth shut. Neighborhood tramp Jeanna Fine looks hot and is a great cocksucker, but *Taboo's* treats are new big-tit slut Carson and blond bimbo Breezy Lane, what-else-am-I-good-for slots who bring fresh sensuality into this visual mess. Surprisingly, bad editing gives the wild, raucous and quick fuck scenes a spontaneous you-are-there feeling that almost works. Judicious use of fast-forward will make this show bearable and sometimes steamy. —R. K.

Fine and McCullough just fuck in **Taboo**.

JADED ASSHOLE or Regular Joe —

Who's the Better Critic?

HUSTLER critics are a bunch of jaded limp-dicks, jealous because they can't even get it up. We know this is true because producers, directors and an occasional heartbroken starlet tell us so. Anyway, we got tired of the name-calling; so we put ourselves to the test: our reviews matched against the opinions of a regular Joe off the street. Judging from the way Raleigh, our building super, rated the flicks, the scum industry has it easy with us jaded assholes. Raleigh ranked the videos from 1 to 10, 10 being best; **HUSTLER** ratings in parentheses.

The Adventures of Buttman (Fully Erect)

It has some pretty butts, but that's all. Raleigh's Rating: 4.

Beach Blanket Brat (Half Erect)

They should have named this one *Oh, yeah*. Not worth watching unless you like stupid, stupid plots. Raleigh's Rating: 3.

Bend Over Babes (Three-Quarters Erect)

Really bad. It looked like they spliced in other tapes to fill time. Raleigh's Rating: 3.

Big Melons 25 (Half Erect)

A loop collection gets a low rating, but it has the best facial cum-shot I've ever seen. A big-titted blonde (Samantha Stone) gets it from Peter North. Raleigh's Rating: 2.

California Taboo (see jaded asshole's review this issue)

The first porn tape I have seen that is truly funny. A good one. Raleigh's Rating: 9.

Cool Sheets (Half Erect)

Beautiful gals, good sex, and Tianna was super. A so-so story. Raleigh's Rating: 7.

50 Ways to Lick Your Lover (Three-Quarters Erect)

The plot is too far out, and none of the gals are anything special. Raleigh's Rating: 4.

Imagination X-Posed (Three-Quarters Erect)

Bad. A terrible plot. Raleigh's Rating: 1.

Mistaken Identity (Three-Quarters Erect)

Fair storyline, with fair sex. Raleigh's Rating: 5.

Night Trips (Three-Quarters Erect)

Halfway through was enough for me. Raleigh's Rating: 0.

Play Me (see jaded asshole's review this issue)

Interesting story with good sex. Above-average porn. Raleigh's Rating: 7.

Pretty Peaches 3 (Three-Quarters Erect)

Lots of good sex. Raleigh's Rating: 7.

Rearing Rachel (see jaded asshole's review this issue)

Good sex. Lots of laughs. Raleigh's Rating: 7.

Red Hot Fire Girls (Three-Quarters Erect)

They should have named this one *Firemen's Hoses*. Nothing special, not even the smoke. Raleigh's Rating: 3.

The Secret (Half Erect)

Fair sex, bad story. Raleigh's Rating: 4.

Strange Curves (see jaded asshole's review this issue)

Real good photography and a better than fair plot. Raleigh's Rating: 7.

Three Daughters (One-Quarter Erect)

Keeps you hooked, hoping for more sex. The photography is good, and so is the story. Raleigh's Rating: 7.

REARING RACHEL

Half Erect. Directed by Phil Prince; starring Rachel Ryan, Lynn LeMay, Raven Richards, Wayne Summers and Marc Wallace. Videocassette: Zane Entertainment.

It's one thing for Rachel Ryan to play a plain Jane, but to leave her orthodontic retainer in while swallowing shafts and lapping up spunk is taking the part a bit too far. That quibble aside, here's another: Rachel's regal rectum isn't dicked until the final scene, a blazing boning from Marc Wallace. For most of the film, Ryan remains a viewer rather than a doer, a mousy miss intimidated by the fucking all around her. The last bang is a nice treat, but first the viewer must endure ruttings between seemingly disinterested bodies, including Lynn LeMay's tits accepting a probing pole from a chubby cocksman, then diddling Latinesque lustbag Raven Richards's buttocks with a dildo. Although four out of the five sex scenes feature butt-banging, *Rachel* needs more of its namesake. *Rearing* suffers from arrested development. —S. L.

ON THE PROWL

Three-Quarters Erect. Directed by Jamie Gillis; starring Renee Morgan and Jamie Gillis. Videocassette: Jamie Gillis Video.

Porn stars are just like anyone else: They wanna have fun! The difference between them and us is that while we can just pop in a rented smut vid when in need of libidinal recreation, veteran jizz-bizzers such as Jamie Gillis and Renee Morgan must resort to renting a limo and cruising big-city streets, looking for dudes to stick it to Renee on-camera in the back of the stretch. Lucky for us peon pud pullers, Jamie and Renee know how to have a good time. None of the half dozen happy humpers who pass between Renee's thighs and lips is much more of a stud than us Romeos in viewerland; so we can cheer the fledgling cocksman on as they huff and hump Renee's heaving hair pie. Renee cheers them along, groaning, slurping and moaning as if each one of these amateurs was actually a John Holmes. Gillis's patter is personable as he interviews and coaches the freelance fuckers. A friendly slime is had by all. —K. B.

Palms: Sasha with a mouthful of Wallace.

HOT PALMS

One-Quarter Erect. Directed by Bobby Hollander; starring Cheri Taylor, Carol Cummings, Sasha, Marc Wallace, Shane Hunter, Eric Price and Natasha Skyler. Videocassette: Gourmet Video.

Sometimes the only diversion a scuz video offers is a chance to try and pick out who among the studs is really a fag. Eric Price, with his baby-soft facial features, semi-sculpted torso, modulated voice and cute ass, has always been a prime homo suspect, but perhaps Cheri Taylor will be known as the woman who dispersed all aspersions pertaining to Price's sexual alignment. In the tape's first, foremost and firmest gonad frolic, Cheri pulls a drowning Price from a swimming pool and administers mouth-to-mouth resuscitation, which progresses quite naturally to a blowjob. She shuttles the tip of his blunt flesh instrument to the side of her cheek like a wad of chaw and sets her exultant behind down for a face ride on Eric, who wallows his tongue and tool in her womanhood, a look of crazed bliss suffusing his previously suspect mug. He comes on her buns after stuffing her from behind, of course, but this savory scene rescues his reputation nonetheless. The rest of *Palms* is beyond saving. — C. S.

LEGEND

Three-Quarters Erect. Directed by Scotty Fox; starring Lauren Hall, Sabrina, Jacqueline, Brittany, Rick Savage, Randy West and Eric Price. Videocassette: Legend Video.

Without the proof of prurience provided by several external cum-shots, *Legend* might lose all credibility. The half-truths, lies and prevarications of *Legend* spew thick and fast: The California porn industry supposedly has room for only one more fresh harlot starlet; a smut producer and his assistant trek out to the boondocks to interview potential vid sluts; a career as a cum-drenched ginch is more glamorous than work as a waitress. Viewers are advised to suspend their disbelief and hold on for the reality of brunet vixen Lauren Hall and blond minx Sabrina. The two tempestuous twats inspect one another's tits, tongues and slots, sucking clean, serene face, nuzzling full, natural knockers, caressing firm, smooth legs, snacking on trim and juicy snatch. Each of the two fresh beauties goes on to bone and blow, taking wad dumps after hot humps. A pair of sinful, simmering supporting poozles fill out the foxy fuckhole quota and, while the result doesn't constitute a legend, it is something to talk about. — K. B.

West slurps Sabrina in *Legend*.

LOW BLOWS: THE PRIVATE COLLECTION

Three-Quarters Erect. Directed by Scotty Fox; starring Jerry Butler, Jacqueline, Scarlet Windsor, Debi Diamond, Kitty Luv, Randy West and Tom Byron. Videocassette: Moonlight Entertainment.

Cum-opera director Scotty Fox and comedy usually mix about as well as blood and urine, but he seems to have found a more fortuitous combination in *Low Blows*. The strongest comedic factor of *Blows* is Jerry Butler, a little of whom is often too much. In the context of *Low*, a takeoff on the churlish bedroom behavior of Hollywood disgrace and multimillionaire Rob Lowe, a whole lot of Butler is just right. *Blows* also has Brit slit Scarlet Windsor dildo-impaling Debi Diamond, plush redhead Jacqueline swabbing the booming bone of Tom Byron, Randy West's prick popping out of his pants and angling into the facial orifice of Windsor, Kitty Luv lobbing her chest lobes in a steaming shower scene with Butler, and Jacqueline hopping upon Jerry's hard-on to seal the deal. *Low Blows* is sly high jinks. — C. S.

GOOD BI GIRL

I'm a 32-year-old divorced woman from the great state of Arkansas, and I have a revenge story as sweet to tell as it was to do. When I was married to my husband Monroe, there was hell to pay every time he caught me looking at another woman. I loved Monroe, and I enjoyed fucking the living daylights out of him, but there are some times when a woman yearns to be with one of her kind, and Monroe would not accept the fact that his own wife wanted to lick another woman's pussy. A lot of men I've met would be tickled pink at the idea, but Monroe was not exactly a liberated, open-minded man. He was raised in a very strict Presbyterian household, and watching *Charlie's Angels* was the closest he ever came to understanding the closeness of women.

For the reason of his intolerance, and for other reasons I will not mention, we were divorced in the spring of '88. Monroe was a good man, and I hated to see him go, but I hated that he wouldn't accept the kind of lifestyle I loved even more. He went so far as to curse me to Hell, and I will never forgive him for that. When he married a little sloe-eyed girl named Wanda, who went to the same high school I did, I plotted and planned my revenge.

Wanda and I frequented the same lingerie store, and inevitably we ran into each other on several occasions. At first she was moody and suspicious of me, but my friendliness and openness were enough to thaw her icy mood. One day I noticed her buying the skimpiest pair of silk panties I had ever seen. I picked up a pair myself and joined her at the cash register. We got to talking, and I casually invited her to my apartment for lemonade. She hesitated, but the day was so hot that I eventually got her to agree.

We shared a couple of glasses and cooled down, and I was so good-humored and gentle with her that she forgot all about the grudge a wife has about her husband's

ex. We were giggling and talking girl talk, and I suggested we model our new underwear. I had barely said the words when Wanda leaped from the table and wriggled out of her denim skirt. She was stripped to bra and panties in no time at all. Soon we were both cavorting around my apartment in our underwear. I poured another glass of lemonade and put some gin in it. She had one too.

I shyly suggested to her that I admired her youthful body. I asked if I could touch her breasts. She knew my reputation with the men in town; so she knew I wasn't queer. Still, she acted real shy about it, but finally told me she was tired and asked to

lie down awhile. I told her she could lie down on my bed, and she asked me, "Aren't you tired too?"

We went into my bedroom and I lay down beside her on the bed. I squeezed the creamy interior of her right thigh, making her sigh with pleasure. "Come on, girl, lick me out," she murmured, spreading her legs as wide as they'd go to invite me in. I hunched over her pretty blond pussy, my tongue fluttering over her cunt lips in a teasing manner.

"Please," she said. "Pretty please."

I flicked my tongue across her clitty button and asked her, "With sugar on top?"

"All the sugar you want," she promised.

I slid my tongue down her slit, gently parting the pink cunt lips, which blushed a deeper shade of red each time I brushed against them. I took my time, curling my tongue into a tight tool that I used to pry her pussy open. Her back bent away from the mattress, and I could tell that she felt a zing of sexual electricity ripple through her spine.

I surely did enjoy burying my nose in another girl's soaking-wet box, and I knew for certain I was doing a damn better job for Wanda than Monroe ever would. He always kept his nose well above the sheets at bedtime. It tickled me to have a piece of his woman. I sucked her cunt harder, savoring the scent of her female perfume as she gushed. Hot cream oozed into my mouth, and I smacked my lips and rolled the heavenly flavor around on my tongue.

She finally finished coming, and I moved up to give her tits a nice, long kiss. "I know you want me to lick you out," she said, "but can I finger-fuck you instead?"

"Oh, yes, baby," I said, rubbing up against her. "Fuck me with your finger. That's the way I like it."

She knew how to do it too. She started slowly, rubbing my clit and lips. I opened to her like a flower. "Please, please," I begged. "Rub me harder!" My cunt tried to suck her whole hand inside. I came in thrashing ecstasy.

Wanda comes over regularly now. Monroe doesn't know what he's missing.

HOT LETTERS

When his oral digit connected with my quivering rosebud, I squirmed. I never dreamed getting rimmed would feel so good.

not to do that when he was around. He's a straight black man, and I'm a white, red-haired coed, and although I had a sexual curiosity about him, I didn't want to insult him by teasing him too much.

For the last couple of years I'd been hooked on aerobic exercise. I carried on with it while living with Tom, but one habit I'd gotten into was hard to break. I liked to exercise in the raw. Luckily his working schedule was consistent. I knew when he would be out of the house and for how long. A couple of months went by, and I exercised to my naked heart's content without any trouble; so I stopped worrying about it altogether.

One day I was running a little late, but I'd had a bad day at school, and I depended on my exercises for relaxation; so, despite the time, I went into my usual routine and had the best workout ever. As I segued into my final series of stretches, I studied the wall-length mirror that came with the house. My skin was hot pink and slicked with a sheen of sweat. The nipples of my tits were the color of ripe raspberries. I was thinking about a long, hot shower when the front door opened.

Tom walked in, embarrassed as hell to see me stark naked on the carpet.

"Excuse me," I said sheepishly. "You're home early, aren't you?"

"Damn, Linda," he said. I noticed he'd started to sweat as much as I was. I could tell he wanted to be polite and look away, but he just couldn't. He stared at my tits and stammered. The outline of a long, fat cock suddenly appeared in the crotch of his polyester pants.

What the hell, I thought. The time was bound to come sooner or later.

"Would you care to strip down and join me in a stretch?" I asked demurely.

"Whaa...?" he blubbered.

"Go on," I said. "Get naked. Now!"

His fingers flew over the zipper of his fly. I watched his cock slink through the opening like a dark snake uncoiling and stretching out on a sunny rock.

My butt wriggled of its own volition. The most forbidden, nastiest sex fantasy I had concerning Tom was to have his black prick tour my bunghole. I knew that it was now or never. I was determined to have my fantasy come true.

Slippery sweat already greased my butt-crack. Tom knelt beside me in all his naked glory, his ramrod cock as stiff as an iron

dildo. He sucked my tits and rubbed his dick against my belly. I rolled away and presented him with my hot white ass, hoping he'd get the hint.

He bent over and spread my ass cheeks. His fingers felt so warm, so real on my fanny that I moaned aloud. What he did next totally blew my mind. I was so startled that I actually couldn't understand what he was doing at first. Slowly but surely, I realized that he was actually dribbling the tip of his tongue down the crack of my ass. When his oral digit connected with my quivering rosebud, I squirmed. I never dreamed getting rimmed would feel so good.

"I've got to fuck it," repeated Tom over and over.

"So do it, do it!" I squealed. I must have been crazy. Anyone in her right mind would have squirmed away. His cock was as long as my arm!

Tom took his tongue away from my ass and replaced it with the head of his dick, which was already dripping with pre-cum. I wriggled my fanny, and he thrust the powerful length of his massive dick into my

tight hole. There was a spot near the entrance where he seemed to stick for a minute, like he was just too big to go any farther. He held himself there, not moving forward, but not retreating either.

I lifted one hand and slapped the floor. A deep shudder twisted my insides, and I felt the tight ring of muscles loosen. "Come on, come on," I said. "Fuck me." I caught a glimpse of our reflection in the mirror. Oh, fuck, what a filthy sight we made!

Suddenly my asshole spasmed so that it actually sucked Tom's monster-fucker deep inside of me. I felt stretched to my limit. The fat head of his dick was doing a dance so deep inside of me, I felt like I was being split in two. The orgasm overwhelmed me like a tidal wave. I wept helplessly as I yielded to the incredible experience. Tom made an effort to hold back his spray, but soon he was squeezed dry by the greedy muscles of my hungry asshole.

Since then, Tom and I have acted like nothing happened. My ass was sore for a week afterward, but now it's tightened up again, and I could use another lube job. The only question is, when and where?

101 USES FOR SEX

Many of us think of sex as good for only two things, pleasure and procreation. But upon a closer inspection, sex has many uses. It's so obvious that we don't see it. Sex is our greatest, most versatile gift.

To compile this list of 101 uses for sex, I asked anyone who crossed my path, including my neighborhood pizza chef, the golden question: "How do you use sex besides for pleasure or procreation?" Some folks answered into my tape recorder right away. Others had to think about it for a while, or had to be probed and prodded, but everyone came up with something. Here are some of the more delightful answers people gave. (Some names have been changed for obvious reasons.)

SEX AS A TRANQUILIZER — "I always sleep 100% better after I have sex. I'm an actor; so if I have anxiety the night before an important audition or performance, I don't sleep that well. So on those nights I make sure to have some sex. It's the best tranquilizer I've found. And there are no side effects. It is pretty addictive though."

—Sammy Dunlop, Actor

SEX AS A REWARD — "If my wife does me a favor or something really nice for me, then I'll eat her pussy for an extra-long time. My wife is a real sweetheart. My friends ask me why she's so nice."

—Terry Williamson, Physical Education Teacher

SEX TO FIGHT ADDICTION — "I've been trying to quit smoking cigarettes for years. As of today, I haven't had a smoke in 42 days. Sex is the one thing that really seems to help when I get a craving. It takes my mind off the cigarettes totally. The hard part is after sex, because then I really want a smoke."

—Les Clark, Art Director

SEX AS A LAXATIVE — "I have a lifelong constipation problem. I've noticed that there is a direct correlation between my constipation and my sex life. I get real constipated when I'm not having sex regularly, and I'm fine if I'm having sex. I also think it's good to have a lover massage my anus with her finger. I think it's healthy. And it feels so good."

—Jimmy Turnowski, Attorney

SEX TO GET TO KNOW SOMEONE — "I find that having sex with someone is a great way to get to know them. That's why I still like to fuck on the first date. I can tell a lot about a person by fucking them."

—Janet Rivera, Real Estate Agent

SEX AS MEDITATION — "I use masturbation as my primary form of meditation. I put on some space music, put on my vibrator, then empty my mind and just float. It's incredible. It helps me get in touch with my emotions. Sometimes I'll do affirmations and pray while I masturbate. I focus inward and just love myself. I think of

my masturbation rituals as my path to enlightenment."

—Katrina Rainbow, New Age Girl

SEX TO MAKE MONEY — "I use sex to make a lot of money. It's that simple."

—Susie Que, Hooker

SEX FOR MAGIC — "I'm in a witches coven. If we want to accomplish something very important, we use sex in our magic ceremonies. It's called 'sex magic.' It's the most powerful form of magic we do. It always works. Once we raised \$25,000 for an orphanage in Mexico with sex magic."

—Jane Contrella, Witch

SEX FOR MANIPULATION — "I'm in the music business, which is a really rough business. I use sex to get what I want. I got a nice little recording contract with just one blowjob. With sex, you get them at their most vulnerable."

—D. C., Lead Singer in a Rock Band

SEX FOR GARDENING — "I know this sounds a bit strange, but I have a beautiful garden, and I jerk off onto my plants. I love jerking off outdoors; so I figure while I'm at it, I'll kill two birds with one stone, and sprinkle my sperm onto a plant that needs a little extra care. If sperm can create a life, I figure it must be a good fertilizer."

—Jonathan Dunlap, Interior Decorator

SEX TO INCREASE ENERGY — "I was living with a guy, and we were trying to start a T-shirt business. We worked day and night to get it off the ground. We used sex to keep us awake and full of energy. My lover would fuck me, but not have an orgasm. So we would fuck six, seven, eight times a day just to get our energy up. The business was a big success, until I left him. Then it went quickly downhill."

—Nora Govan, Pot Dealer

SEX AS A GIFT — "For my best friend's 40th birthday, I sent her this very sexy, hot, 22-year-old guy to make love to her."

Fear and hypocrisy have repressed sexual awareness, leading to the ignorance that spreads disease and creates violence, in addition to hindering our natural enjoyment of sex. This series opens the door to current sexual knowledge and expression, and improved love-making.

SEX TO WAKE UP

"I'm a very heavy sleeper, and I fucking hate alarm clocks. The best way to get me up and out of bed is to fuck me hard and fast for just a few minutes. A nice, wild quickie first thing in the morning, and I'm wide awake, baby."

SEX TO KEEP WARM IN THE WINTER

"We like to go skiing up in the Catskills. If we stay in a cabin and there's not a lot of heat, what better way to stay warm than to make mad, passionate love? It's better than an electric blanket any day." —Scott Chelnik, Writer/Editor

SEX AS A CREAM RINSE

"In high school we would try to get girls to suck our dicks by telling them that the sperm made their hair real shiny. None of 'em believed me, but I'll betcha it's true."

—Michael Hermele Cyril, Costumer for Movies

SEX FOR STRESS REDUCTION

"Some men go to the bar during lunch hour to relax. But for me, I like to visit my lover. Then I return to work totally relaxed, which lasts about an hour, because I have a very high-pressure job."

—Charles Lenhoff, Stockbroker

SEX AS A SPIRITUAL EXPERIENCE

"Being so totally and completely in love with my mate, I find that sex can be a manifestation of godliness. When we connect, I feel one with the Earth, with God and with life. I feel so whole and complete, and so holy and nourished."

—Rubin Howard, Nursery School Teacher

SEX FOR EXERCISE

"Sex is great for maintaining physical fitness. My girlfriend has real hard thighs from being on top. It's great exercise. She demands that I don't come until she finishes her thigh workout. And look at my arms. That's just from pumping nookie. It's good for the heart. You know, cardiovascular stuff. It's the only exercise I do, and I'm in great shape."

—Bob Dee Widder, Jewelry Salesman

SEX FOR THRILLS AND ADVENTURE

"My boyfriend and I live dangerously. We have all kinds of wild sexual adventures. Last week we were in line at the movies, and he was playing with my pussy the whole time. It was raining, and we were under an umbrella with raincoats on. No one could tell what we were doing. It was exciting."

—Kitty Wichner, Dietician

SEX FOR A LAUGH

"I love to laugh in bed. Sex can be really funny."

—Georgio Deano, Pizza Shop Owner

SEX AS A CURE FOR BALDNESS—"In my early 20s, I was still a hippie, and I had this great long hair. Suddenly it started falling out in big clumps. I had this brainstorm that if semen could make new people, maybe it could make new hair. So at night before I went to sleep, I would masturbate and rub it all over my scalp. When I woke up in the morning, it would be all dried up, shrunk, almost painful. Then I'd wash it out. It definitely worked. My hair stopped falling out. I've used a similar treatment for acne."

—Fitugu Tadesse, Zoologist

SEX FOR VOICE TRAINING—"I'm studying singing, and I was really having trouble with a particular phrase. My teacher is great. He said, 'Think of this microphone as a cock, and make love to it with your voice, like a sort of blowjob with sound.' So I tried it, and it worked great. Now I have a microphone fetish!"

—Debora Kovacs, Up and Coming Singer

SEX TO ACHIEVE ALTERED STATES—"If I'm having really great sex, all kinds of amazing things happen. I leave my body and have an out-of-body experience. I become breathed by the universe, and I go into trance states. I've even had revelations and awakened memories of past lives."

—Arthur Abarbanel, Crystal Salesman

SEX FOR MOSQUITO BITES—"When I was 18, I moved out of my parents' house to a little house in the country. On my first night, I woke up with a billion mosquito bites. I hadn't bought screens for the windows yet. So I open

the medicine cabinet, and there's no calamine lotion like at my mom's house. I figured I needed something soothing and liquid. Yogurt and sperm were all I had. So I tried them both. They both worked."

—Darryl Stipanela, Law Student

SEX FOR A GOOD DFFD—"There was this really fat girl, the fattest girl in all of Woodstock. We were talking one night, and she confessed to me that the worst part of being fat was that she hadn't had sex in three years. So I told her, being the nice guy I am, that I would have sex with her. I didn't really want to do it. But I climbed on board. It was like being on a rubber raft in the ocean. I fucked her for a good hour. She totally came to life. Her eyes were sparkling. It was beautiful to watch. The only problem was that afterward she wouldn't leave me alone."

—Marco Vassi, Erotic Writer

SEX AS ART—"I'm a very creative person. I like to express myself. They say sex is an art. I see it that way, just like painting or performing. I can express myself creatively through sex. And believe me, I'm very creative and imaginative. Very."

—Tanya Le Oiep, Modern Dancer

So there you have 101 uses for sex. Well, not quite 101, but who's counting? Clearly, there are many, many more. Perhaps these ideas will bring to mind a whole spectrum of ways to incorporate sex, and serve as a reminder of how precious and valuable sex is.

And you thought sex was just for pleasure and/or procreation.... 🍷

Some Californians hang out so much at Black's Beach that they revert back to surf froth. Not long ago this pack of sand pipers lost the crowd at San Diego's notorious nude beach and set out on their own. Now the sun's going down, and the tide's coming in. Soon they'll be submerged in pure animal attraction - the kind that's salty, wet and comes in waves.

THE BATTLE

REVOLUTION

The background of the page is a dark, apocalyptic illustration. At the top, a hand in a purple glove holds a fist with a white star on it. Below this, a cityscape is shown in flames and smoke. A black car is burning in the middle ground. In the foreground, a severed head lies in a pool of blood on the right, and a person lies on the ground on the left with a knife in their back.

PRISON- BRED TERRORISTS

Report by

Time not permitting a chance of review, the Generals, for security reasons, may order and have a sentence of death carried out...."
— From the Black Guerrilla Family Constitution

GANGS

Manhattan: James Coonan, Westies leader, borrows knife from niece and later shows her plastic bag with head inside, dripping blood.

The 1980s should be commemorated as the decade that America rediscovered "the gang"—and its habitually violent acts of murder and mayhem.

•Los Angeles: The Crips' and the Bloods' penchant for weapons has resulted in daily accounts of violence that parallel the days of Al Capone.

•Denver: Five gang members charged in a wave of street attacks that left one woman dead and terrorized a neighborhood.

•Manhattan: James Coonan, Westies leader, borrows knife from niece and later shows her plastic bag with head inside, dripping blood. Head belonged to Patrick Dugan, who was murdered and dismembered after dispute with Westies gang.

Defying any cure, today's gangs ravage the cops, the courts, the prisons—and thoroughly warp U.S. life.

"Something has to be done to eradicate the gang problem in our communities," says Ruth Washington, publisher of the *Sentinel*, a weekly Los Angeles newspaper. "More innocent people are being injured [and killed] as a result of gangs, than are rival gang members."

•Ten-year-old Dominguez Blackshear murdered by David Brooks Cole, 21. Cole, member of a Crips faction, shot the girl as she walked across her living room.

Gangs were at one time an East Coast problem, the product of a pullulating tenement life. The West Coast had a few rebels without causes, but the East, with its forced physical contact, had the deadly concrete jungles. The gangs made their presence known, but had no significant impact. Then came a change. "The gangs," said former U.S. Attorney General Edwin Meese, "were drawn into and affected by the competition between such old-line crime organizations as the Sicilian Mafia." Today's gangs, particularly the Crips and the Bloods, are waging such ruthless warfare over the control of criminal enterprises that they make John Gotti and the Gambino crime family look like John-Boy and the Waltons.

•St. Louis: 14-year-old Tiffany S. killed in drive-by shooting.

Gang confrontation is no longer the romanticized "rumble" in the park, but cowardly drive-by shootings that spray

neighborhoods with bullets, killing anyone and everyone—babies, kids, pregnant women—in sight.

"Some of today's gang people are hardcore criminals who should be put in jail," says Representative Mervyn Dymally (D-Compton, California). "All are not innocent kids who fell into a trap."

•Long Beach: Two youths shot in gang-related drive-by shooting.

•Seattle: Suspected gang members in two Cadillacs opened fire indiscriminately on pedestrians in the Rainier Valley, wounding four men and a woman.

•Los Angeles: Hispanic gang members fire into crowd of residents at housing project, killing 20-year-old Andrea Denise Garrett and her eight-month-old fetus. (Andrea was the niece of former Heisman Trophy winner Mike Garrett.)

Cowardly drive-by shootings and the quest to establish control of organized crime have turned U.S. cities into urban war zones. Casualty rates rival those of America's early years in Vietnam.

"We have seen far too many innocent people killed as a result of gang activities," says *Sentinel* publisher Washington. "It must be brought to a halt. The police cannot do it, the sheriff cannot do it, the courts cannot do it; so the onus falls on the people of the community. If we don't do it, we'll lose."

The community, however, is ill-equipped to halt gang warfare. The current reign of bloody terror in American cities is controlled not by gang members who stalk the streets, but by leaders who direct criminal exploits from inside prisons across this nation.

"Five secret societies [gangs] presently flourishing in prisons have become organized-crime groups," says the President's Commission on Organized Crime.

These gang leaders, like La Nuestra Familia's Jimmy "Tibbs" Morado and the Black Guerrilla Family's James H. "Doc" Holiday, have the power to order contract murders, drive-by shootings, narcotics and gun transactions, kidnappings, assaults, robberies, burglaries, even rapes—all from the comfort of their prison cells, and all in an effort to neutralize the American public.

"And they're succeeding," claims a former Carnal (soldier) with La Nuestra Familia (NF) who is currently living under the auspices of the Federal Witness Protection Program. He has been marked for death by NF leaders because he quit the gang.

CRIPS AND BLOODS ECLIPSE MAFIA

California's State Department of Justice claims that the Crips and the Bloods

*"What's this 'all men are created equal' shit, Tom—you ever seen the **dick** on a black guy?"*

GANGS

Reputedly most skillful at killing women and children, Crips are scorned by law officials and gangs such as the Mexican Mafia.

have surpassed the influence and power of the Sicilian Mafia. In its 1989 report on organized crime, the department contends: "Many Crips and Bloods have emerged as powerful, violent drug traffickers with distribution networks established in many cities throughout much of the United States."

"That's right!" boasts Crip Smoky Loc. "We're bad. Crip here! We're bad. Crips don't die, Crips multiply!"

Multiply indeed. Organized in the early 1970s in Los Angeles by Raymond Washington and two cohorts known as Tookie and Gemel, the Crips, an acronym for "Cowards Run in Packs," have risen in number from three to an estimated 30,000. They presently outnumber the Bloods by nearly three to one. Washington, killed by Bloods in the mid-1970s, was not around long enough to witness the astounding growth of his gang.

The violence, so typical of gang life, that put Tookie on San Quentin Prison's Death Row, does not phase any of the Crips. Most, in fact, seem to enjoy it.

"We'll kill for what we want," warns

Smoky. "And what we want is total, unconditional control of everything. Furthermore, we will eliminate anybody who stands in our way." Babies, kids, pregnant women....

Like the Bloods and the Black Guerrilla Family (BGF), the Crips, a predominantly black gang, defiantly endeavor to attain a primary goal: society so frightening that law-abiding citizens are unable to risk assembling.

"No assembling," says Crip "Buster" Jones, "means no opposition. And no opposition means the 'hoods [neighborhoods] will be ours for the taking—money, drugs, pussy...."

The goal is not at all unrealistic. Already, as a result of gang violence, people are afraid of straying from familiarly safe and short paths of travel, afraid of changing neighborhoods, afraid of being alone in an apartment or house, afraid of people who appear unfamiliar or in some way unusual.

Reputedly most skillful at killing women and children, Crips are scorned by law-enforcement officials ("Crips are

scum," says LAPD Sergeant John Paige) and by such gangs as the Mexican Mafia and the Black Guerrilla Family.

BLOOD IN, BLOOD OUT

La Nuestra Familia (NF) was formed in 1965 at the Correctional Training Facility in Soledad, California—and has since become a major organized-crime group operating throughout the United States, Mexico and Colombia.

As the gang organized, they designated Robert "Babo" Sosa, a Puerto Rican from Santa Barbara, California, as General.

Immediately upon inception, the NF established itself as a dominant force in California prisons, terrorizing nongang inmates and declaring war against the oldest, deadliest prison gang in the state—the Mexican Mafia (EME), which formed in 1957 at the Deuel Vocational Institution in Tracy, California.

In 1980 the NF impeached Babo Sosa after ruling him guilty of misappropriating NF funds (Babo's wife, Linda Sosa, embezzled \$100,000 from the NF), abusing his authority (ordering unwarranted murders) and being sent back to prison for robbery, which the NF believed curtailed its street-recruitment ability, resulting in a loss of income from the sales of narcotics, guns and other criminal activities.

With Babo's impeachment, the NF adopted La Mesa, a council designed to prevent one person from being in control and to protect the NF against RICO indictments. (RICO stands for the Racketeer Influenced and Corrupt Organization Act, passed in 1970 to allow law-enforcement agencies to attack gangs as businesses, rather than as criminals.)

Predominantly composed of Northern California Mexicans, the NF has a lifetime commitment—Blood in, Blood out—policy. Members must remain actively committed to the organization forever—or be killed.

Some NF members quit despite the threat of death, and for varying reasons.

"I quit," says a former member, "when I was ordered to kill the eight-year-old daughter of a restaurant owner who refused to let the NF use his establishment for drug deals. I'm not a Crip," he says. "I don't kill kids."

By refusing the order, this man violated at least one Article of La Nuestra Familia's Definition of a Carnal (an authority figure), and became a target.

A target, as identified in the NF's 14 Articles of Declaration, is a person (incarcerated or otherwise) believed to be threatening to the organization.

A Carnal is to eliminate the target

FRIED KILLER

I hear her cunt blow a raspberry. She's got an old man's nose hair in her left nipple. Makes me want to blow chunks on her chest.

Can't sleep. Muggy son of a bitch. Nothing to do but swat the skeeters dive-bombing my ears and watch the bitch get her beauty rest. God knows she could use a thousand years of it.

Sounds like all the frigging tomcats in the San Fernando Valley are getting ass-fucked right underneath my window. One of those torture-chamber nights. Half-expect some pockmarked spic to break in and apply the electrodes to my scrotum.

No more Sominex in the medicine chest. Guess I'll try one of these purple pills the cunt takes for cramps. On second thought, I'll take two; serve the bitch right for polishing off the peppermint schnapps. Where did she hide that cooking wine? The sneaking, pie-eyed, piss-drinking cow....

4:31 a.m. Digits on the clock radio say I got two hours till I'm banging five-inch flathead nails into drywall. What genius thought of building tract homes on the old dump off the 405, anyway? When the sun gets going, the gas really comes up from the landfill; they say it's methane.

An evil goat-turd-smelling gas that makes my head throb like it's gonna explode. Can't wait to see those rich fools' faces when they realize they paid 1.6 mil to sit their retirement homes on the county crapper.

Half an hour of waiting for the PMS pills to come on. And for half an hour now I've been watching this little bead of sweat collect in the bitch's shoulder blades, inch down the crease of her back and grab some gooseflesh over the canyon between her ass cheeks. Little bead of sweat just clinging over the bunghole like some goddamn bridge jumper, and I'm going to bust a fucking vessel if that little bead of sweat don't drop soon.

Now the bitch is rolling over on her back, and damn if I don't hear her cunt blow a raspberry. Christ, she's got a hair sticking out of her nipple. An old man's nose hair taking root in her left nipple. Makes me want to blow chunks right on her fucking chest. Tonight it took a near hour of slamming my salami to finally get off. She'll never get it through her

head. It takes a real effort to unload into a broad I've been dumping my ashes into every night for the last five hundred and seventy.

The shit that goes through your head at five in the morning. Skulls bursting through safety-glass windshields. Chain-saw trimming my toenails. Slicing off Sheila's tits and gluing them on dixie cups. Cancerous clowns, melting skies, moons that laugh, Joe Isuzu's fat fucking face.

"Mmmrphrphrmmmm." What's this? Bitch waking up? Just flopping herself over like a lard burrito, snail trail of drool sliming from her mouth.

No noise out there. Even the cats have fagged off. It's like all of Los Angeles is dozing off dreamlessly on these purple pills. Leaving me alone with the bitch's rank, farting cunt and my Tijuana stiletto.

Lie down now, Frank. Cool out, flick the stiletto and watch your video aquarium. Something to stare at until sleepy time. Fishes swimming. Fishes feeding. Fishes pooping. Look at that angelfish, turd string hanging from its ass. Reminds me of that angelfish I had when I was a kid. Ripped up all my neon tetras and kissing gourami. Found them floating belly-up one fine morning. And there was the angelfish, swimming like nothing happened, that telltale shit-string hanging behind. Maybe I shouldn't have flushed that murdering fish down the toilet. Fish don't know any better.

BREAKFAST IN BED

Oh, my aching piss-bone. What was I dreaming about? Sun on my lids. If I open my eyes and look at the clock, it will tell me something that I just *don't* want to know.

Kids outside. Probably coming home from school. It's got to be after three. And if it's after three, I'm fired. And if I'm fired, I can't keep up the payment on the Tercel and this shit prefab apartment. And standing in line with stinking deadbeat niggers and spics at the unemployment office. Maybe the bitch went out to the store. The fuck? Leaving her shopping list...wha...?

"Dear Frank: You were making strangling noises in your sleep this morning. It's obvious you need professional help. As much as I've tried to get you to open up, you've never discussed your true feelings with me. Our sex is getting worse and worse. We don't make love for weeks, and then all of a sudden you go on and on like a robot, and it's scary. I've discussed these things with a therapist at a clinic, and she advised me to move out. She said that you are like a time bomb

"In ten minutes we'll be lion food, pal—you say your prayers, we'll say ours!"

waiting to go off, and that I should leave for my own well-being. When I've tried to talk about our problems, you clam up.

"I guess it's only fair for you to know that I have moved in with a guy named Earvin. Earvin is the sweetest, most considerate man I have ever met. Unlike you, he cares about my needs in and out of bed. I did not intend it to be this way, but maybe it is poetic justice that Earvin is a man of color. It is time for you to learn what happens to haters and bigots. Their girls run off with big, black studs! I don't want to hurt you, Frank, but you are so out of touch with your feelings that nothing *could* hurt you. I hope you do seek out professional help for your own good.

"With best wishes for your improvement, Sheila."

I'm gonna kill her. Kill her. Beat the...lead pipe her brains. Puking whore-bitch. Work her face over, decorate the walls with the juice of her eyeballs.

3:34 p.m. $3 + 3 + 4 = 10$. Round number. Lucky number. Ten dollars for that weed whacker, cut that decaying jungle growth she calls her cunt.

What have I been doing all these years? Sleepwalking? Playing monkey to the pussy's organ grinder? Sweating the chump change to throw away on a bowser in my few free hours. Pacifying cunt leaves no time for self-improvement. First mistake: listening to Mom. Gave me the lie that the big teat in the sky will always diaper my butt. Gestapo agent Mom cut off my dick with a butter knife. Wants to hang me, wants me to wear a necktie....

AN HOUR LATER YOU FEEL HUNGRY

Fleas.

Maybe I should pull on my pants and get out of here. Maybe I can talk that woman into giving me back that twenty. You think with the money I pay they could afford a fresh stack of HUSTLERS. Someone jacked off into all of these. Is this the way they run things in Bangkok?

"Hello. My name Oshi. How long massage you want?"

Insectoid little organism. "I'm Frank. Your cunt go sideways?"

"No understand."

Always smiling, these gooks. "Why

don't you bomb these fuckin' fleas?"

"Fleas. Oh, fleas very bad. Yes. Twenty-dollar massage? Or 30, 40?"

With crime on my mind, it's no time to hold back. Around this Chink I feel like Genghis Cock. "Forty-dollar massage."

What's she doing, standing there with a bottle of lotion in her hand, staring at me like some Keane kid. Maybe if I squint at her, she'll flatten out and look more like a picture out of a dirty magazine.

"Turn on stomach, please." Lubriderm's nippy. Guess that's why they use it in this place. Is this human contact? "Look here, miss, we fuckee."

"Oh, no, no. No fuck. Massage please, mister."

"What do you mean, no fuck? I pay the lady 20 dollars and you 40 dollars."

"Massage only."

Maybe I should stop her from putting the Lubriderm on my cock. Maybe I should crack her skull, this gook insect jacking my bone for 60 bucks. Can I really be spewing in a few tugs? The kind of cum you can't even feel. Like a dribbling old man. Thoughtful cunt, wiping my pud with a crusty paper towel.

"Goo-bye."

"Sayonara, slope." Fleas.

EXTRA CRISPY

Wiped clean of cum and mad money, I see things a whole lot clearer. Around the cathouses on Western Avenue, the "humans" are not human at all. These sniffing, pissing, pawing, shuffling things are some lowly species in the final stages of extinction. It's garbage time. The stink of fear makes me want to put these pukers out of their misery.

Burrito-munching losers hawk poly bags of oranges and pistachios at the freeway off-ramps. Fuzzy-wuzzy crack zombies scam food stamps for drugs. Cum-drunk white tramp with a Ted Bundy T-shirt invites to be sliced into little tidbits so she can "be somebody." It's a real comedy, the kind they'll never put on prime time for fear the idiots will finally see the con. Can't sell them soap if you don't sell them hope.

You don't need to sell me nothing. I know just what I'm going to do. Purdy wiped that schoolyard full of gooks in Stockton; Huberty offered them spics in San Ysidro; time someone put them spooks on notice. Saving up for the Big One gets frustrating, specially when in the possession of this here comely Street-Sweeper—spits eight 9 mm. rounds a second, has a beautiful holding barrel like a Thompson. Oughta cut through a swarm of pickaninny riffraff right quick. It's kind of jiggly here in the makeshift

cello case, but I ought to be all right.

"Man, what's that you carrying? You some kind of violin-playing faggot?"

Ignore the stung-lipped sucker. Get even later.

"I be talking to you, honky faggot."

"You want to see how to play the cello? I'll show you. Come over here."

"Hell no, faggot. I ain't gonna let you show me nothing nohow."

Close one. I might have been lunching on nigger-heart puree faster than I thought. Jigs gawking at me with such wide eyes, you'd think they never seen a white man besides the Kentucky Colonel. I'm hungrier than Sambo. Wonder if this here fried-chicken outlet make their slaves wash their finger-lickin' hands before they get them on the meat. White meat! Sheila-bitch meat!

There's a likely looking buck. "Look here, boy! You know a nigger named Earvin?"

"Get out of my sight, you crazy white devil."

"Hey, Aunt Jemima, you know Earvin?"

"You just leave that ol' lady alone!

Where the Crips when you need 'em . . . ?"

One of those L.A. sunsets, smog puking the sky purple. Bug-eyed coons decorate the street corners with their bottles of Night Train, clipped-shrub haircuts and buffalo chips on their shoulders. Race of pimps and cock strutters, nothing to do but finger their dicks all day so some shelf-assed screech-monkey coonette can insult its size.

I'm doing them all a favor, I am, taking that instrument of joy out of the cello case. Open fire for White Man's Burden. If every white man does as I will do now, take multiples for single, we'll end up out in front. 'Cuz that's what it's become—a numbers game—and up till now only the nigger won running numbers.

There he is, the only other white man down here, the Kentucky Colonel, revolving in his bucket, beckoning me for the last supper, wherein I'll wax the black Judases. There's a goodly crowd of garboons inside devouring their chicken littles before the sky falls.

"All right, all you black bastards, listen up. I'm looking for Earvin, and since I

can't find Earvin, all of you will serve."

"Earvin? He Earvin."

"Yo, Earvin over there, man!"

"No, man, he's putting you on. That guy's Earvin."

"Earvin in the back. He be in the toilet."

"Watchoo lookin' for Earvin fo'?"

"Earvin workin' out at the stadium."

Now every jig in town's Earvin. "Don't give me any shit, niggers, or I'll..." I'll be goddamned, my fat cunt Sheila bursts in the front doors with some Muppet-looking nigra, a tan, seven-foot Cookie Monster.

"Frank! What in the fuck are you doing here?"

Nerve of that bitch, asking me a question like that. Drill that be-haired tit! Bam! Ventilate those flanks! Look at them go! Whee! Flapping flesh and blood faucets, coleslaw, chocolate pudding, chicken bones and gristle. Screaming monkeys diving for cover.

"Sheila! Are you all right? Sheila! Somebody get the honky son of a bitch!"

"Stay right where you are, Earvin! This next round has your name on it!"

"Like hell it does! Spike! Lamont! Upside that sucka!"

The Curse of the Monkey has finally played itself out. Greasy forepaws rip my toes out of their sockets. A sickening *crrrack-snhnik!* Fish-eye lens at the climax of a slasher film. Filthy, fat possum squeezed into a gunnysack saws at my dick with a plastic knife, her retard goombah companion yanks my bag of jewels, braying *nyamah-k-chuck hooowheeee!* Old, young, vicious, feeble, the cannibals snatch, chomp, hew and hack my herniated white carcass into edible morsels.

Head twisting around like a rag doll, what do I see but Sheila, flopped next to me once again, and wouldn't you know the bitch is drooling, a snail trail of blood sliming from her ugly maw....

Lieutenant Hernandez expected nothing and got nothing from the witnesses and obvious participants at a grisly double-murder scene in South Central Los Angeles. One of the murder victims, presumably male, was being fished piece by piece from the fry machine. A set of deep-fried genitals fixed the victim's gender.

"A John Doe," muttered the slightly nauseated coroner's deputy.

"John Doe, hell," replied Lieutenant Hernandez. "The asshole was seen toting the automatic all around South Central," Hernandez reflected, scraping the tartar off his teeth with a fingernail. "There's no doubt in my mind that what we have here is a chicken-fried killer." 🍗

HUSTLER HUMOR

Asly old sodbuster was sitting at the bar playing with a little bottle full of brown pellets. The man next to him grew curious and asked him what he had in his hands.

"Intelligence pills," replied the farmer. "They're guaranteed to make you smarter."

"Is that so?" asked the man, intrigued. "Do you mind if I try one?"

The aggie handed him a pill, and he promptly swallowed it. "I don't feel any more intelligent than I did before," he scoffed.

"Have another," suggested the farmer, handing him a few more, which he downed in one gulp.

"Uughh!" he grunted disgustedly. "These tablets taste like rat shit!"

"You see!" exclaimed the aggie triumphantly. "They're working already!"

Question: Did you hear that the government is going to put the farmers back on their feet?

Answer: It's going to take away their pickup trucks.

Apriest and a nun were casually walking down the street when a bolt of lightning suddenly struck the priest right between the legs.

After she managed to get the priest to the hospital, the nun ran outside, looked up into the sky and cried, "Why did you do that?"

"He was thinking impure thoughts," came the reply.

The nun blushed. "You mean about me? Oh, my."

"Yes," God said, "but don't feel so flattered. Last week I gave it to him for thinking those thoughts about Sister Theresa, and you know what she looks like."

After a late night out drinking with the boys, the man clumsily undressed and slipped into bed with his wife. "Are you awake, honey?" he whispered. When he got no response, he kissed her on the lips. "Honey, are you awake?" Still he got no response. He kissed her on both breasts. "Honey, please wake up." He kissed her on the belly. She didn't move.

Then he kissed her on the knee.

"You son of a bitch!" she shrieked, bolting upright. "If my pussy had been a bar, you wouldn't have missed it!"

During his visit to the barbershop, Joe decided to ask his barber if he had any advice on how to treat his growing baldness.

"Indeed, I do," declared the barber, more than a little embarrassed. "Fact is, the only thing I've come across that's a surefire cure is...well, pussy juice, to be perfectly honest with you."

"Pussy juice?" asked the skeptical Joe, eyeing the barber. "But you're even balder than I am!"

"True," said the barber. "But you gotta admit, I have one helluva mustache."

The HUSTLER Dictionary defines *wet dream* as: snooze ooze.

Just a few more questions," the Postal Service interviewer told the job applicant. "Are you a veteran?"

"Yes, sir."

"Did you see action?"

"Yes, sir. Vietnam."

"Were you ever wounded?"

"Yes, sir. Got my testicles shot off."

"Oh, in that case," the interviewer said, "there's no need to go on. You've got the job. We start here at eight o'clock, but you can come in at ten."

"If everyone else comes in at eight, why should I come in at ten?"

"Because we stand around and scratch our balls for about two hours."

Question: What's the funniest thing you can do at an old folks' home?

Answer: Wax the stairs and holler, "Fire!"

Two doctors were putting on the ninth green when one collapsed from a heart attack. "Help me," he groaned to his companion.

"Sorry, but my malpractice insurance won't cover it," his partner replied, walking off the green, "but I'll run and get help."

A few minutes later, he returned, picked up his club and began lining up his putt. The man on the ground raised his head and screamed in disbelief, "I'm dying and you're putting?"

"Don't worry. I found a doctor on the second hole who said he'd come and help."

"The second hole? Why didn't you bring him with you? When the hell is he coming?"

"Hey, I told you not to worry," he said, getting ready for his putt. "They're going to let him play through."

The Wall's down. In a capitalist society, ex-Comms are eager to buy beaver — especially from HUSTLER's world-renowned working-woman journalist.

EAST GERMANY

If you ask for some champagne and caviar (*Sekt und Kaviar*), you're ordering a golden shower and a helping of turds.

"Their women look like men, and they win everything at the Olympics," about sums up our collective impression of people in Communist countries. But I wanted to know what's really been going on behind that so-called Iron Curtain. Have the whorehouses been state-controlled communal operations like farms and factories? And what does Communist pornography look like—a girl and her plow, or a boy and his mule? Are boots and barbed wire artifacts of erotica? So, out of my way, Dan Rather, Ted Koppel and Miss Teenage America, Diane Sawyer. I'll find out for myself about people getting down behind that Wall that's coming down.

My visit to Berlin was a crash course in East German eroticism. I didn't see any women who looked like men; I did however, see a lot of men who looked like women. The gay scene is very big in East Berlin; any lack of glitz is made up for with guts. Homosexuality is boldly open and obvious; so are prostitution and swinging. For the most part, commercial

pornography has been controlled, even produced and distributed, by the government. Pornography is called "art," and the sex industry is called "the entertainment industry." A rubber is a *Gummi*, a blow-job is *ein Blasen*, and a Mistress is a *Domina*. If you ask for some champagne and caviar (*Sekt und Kaviar*), you're ordering a golden shower and a helping of turds. And "Ich will Ihnen ficken im Arsch zweimal für hundert Marks," means: "I want to fuck you in the ass twice for about 63 bucks."

Since I knew no one in and nothing about East Germany, it seemed prudent to ease in via sex-industry contacts from the West. Right off the bat, I went to Hamburg to visit Madam P and Madam Ellen, acquaintances of a business associate of a friend of a friend of mine from New York.

I wasn't 100 feet out of the Hamburg train station when a guy tried to pick me up. I handle the advances of men in foreign countries by explaining that I'm a hooker from America, and, "I'm working; if you want to spend time with me, you have to spend money." They either get out

of my face, or they're glad to hear only money stands between them and what they want. As usual, the latter was true.

Madam P works with Madam Ellen at Herbertstrasse 7B near the Reeperbahn. They're both in their mid-30s. "I play older in movies," Madam P explains, "because for a Domina, respect comes with age." Their prices start at 100 Marks for about 20 minutes. An hour can cost 400 Marks, but Madam P has one regular slave who comes every week and stays all day for 500 Marks. "He's here now, locked upstairs in my studio," Madam P boasts. "If you are ready for a little action, we can go up for a little visit."

"I'd love to see your dungeon," I agree, following Madam P up three flights of narrow wooden stairs to her treasury of torture devices and frilly fantasy costumes. In the midst of black, wall-to-wall decor and embossed rubber matting is Heinrich—naked as a jaybird except for a G-string, and white as a well-worn sheet—on his hands and knees, scrubbing every square inch of it with a red-plastic toothbrush. He scurries on all fours to Madam P's feet like a whipped pup.

"This is Dolores French, a very famous Domina from the United States. She is here to visit me. Show her how grateful you are that she has come to see you," Madam P commands. Heinrich crawls to my feet, kissing my shoes. As he starts up my ankles, Madam P scolds him and orders him to his place.

"He is well trained," I tell her before we head back to the ladies' lounge.

"A few days ago, I heard a news report that men are abandoning their families in East Germany and coming west looking for a new life. Have any East German women come here looking for work?" I ask.

The two women laugh. Madam P forms praying hands and says, "No! Thank God. Not yet. But East German men...."

"Oh, have you seen many East German men?" I ask.

Nostrils flare and eyes roll. "Have we seen many East German men?" Madam P screeches. "That is all we saw for days after they first opened the Wall." Clearly the honeymoon is over between some East and West Germans already.

"How many were there?" I ask.

"Enough for my life," Madam P replies.

"I mean were there dozens? Hundreds?" I inquire.

"Hundreds?" Madam P yelps. "Thousands! And thousands!"

"And thousands," Madam Ellen echoes, nodding contemplatively. "We couldn't make any money."

Madam Ellen spatters something in German, shaking her head, shrugging her shoulders and fluttering her hands to pan-

The city is a sexual supermarket, from a theater where the audience buys blowjobs instead of popcorn, to a shop that sells only condoms.

tomime that the crowds of gawking East German men blocked the display windows and clogged the streets. The regular, good-paying customers couldn't get through.

"So why not just service the East German guys?"

Madam P jumps in to clarify, "First they had no D Marks, and their Ost (East) Marks had no value. So then the government gave every person who came from the East 100 Marks so they would have something to spend." Some of the East German guys had bought services, then had gone to the police and claimed to have been ripped off or wronged. The police demanded that money be refunded. It became general policy not to do any business with the cunning Commie cousins.

Madam P suggests I visit an all-male strip club called Crazy Boys and a whorehouse called Relax while I'm in Hamburg. Relax looks like the royal Deutsch version of La Riviera in Puerto Rico. Big, plush and whorish, complete with gold foil, red-flocked wallpaper and velvet upholsteries, Relax boasts 15 to 25 hostesses, three dancers, strip shows, bil-

liards tables, Jacuzzis and a pool. There are two bars, a restaurant, and nobody seems to know exactly how many "private" rooms.

Crazy Boys is a place I've heard a lot of rumors about. I understand that for the purchase of a bottle of champagne, a lady can buy a little time with one of the guys from the cabaret show.

And so I arrive at last in Berlin, the notorious world capital of sexual freedom under the deliciously decadent Weimar Republic (the German government from the end of World War I until the rise of Hitler, 1919 to 1933).

Traditional morality was loosened by the disillusion caused by the disaster of World War I and the inflation of the early 20s, when hookers in Berlin would work for 6 billion marks and a cigarette.

The term *sexual revolution* actually originated in Berlin in the 20s. Porn films got off to a flying start in Germany; soft-core films disguised as "sexual hygiene" and films that would be right at home in Times Square today were very popular.

There were powerful movements for women's rights, legalized abortion and "free love"; the world's first gay-rights movement was founded in Berlin by Magnus Hirschfeld, who also established the Institute for Sexual Science. Radical psychotherapists such as Wilhelm Reich opened sexual-treatment clinics. A gymnastics teacher, Adolph Koch, who insisted his students exercise in the nude, went on to set in motion the world nudist movement. There were many racy night spots, including the Resi (a/k/a/ the Kit-Kat Club in *Cabaret*), where every table came with a telephone to call people at other tables; prostitution and sexual adventure thrived. Of course the Berlin of *Cabaret* was murdered by the Nazis, who wasted most of the '30s and '40s *seig-heiling* off to conquer everything in reach. What was left of Weimar Berlin was destroyed in the last days of World War II.

The whores in West Berlin are wonderful about helping me with research. I call *Hydra*, a sex-workers' rights group, for some leads and speak with Helga, who I met briefly at the 1987 World Whores Congress in Brussels. Would she remember me? "Dolores, dahlink! How could I forget Dolores and her bananas? If I forgot everything else, I would remember you using that banana, showing how to sneak a prophylactic on a penis with your lips." Helga puts me in touch with Maxi. Sight unseen, Maxi says I can move into her place as a base of operation. She lives in Kreuzberg, not far from Checkpoint Charlie. Perfect!

Maxi was born in Holland around the time the war was winding down (everything in Germany happened before or after the Wall). "I have a picture of the 140-something infantry division hanging on my wall." Maxi strikes a Mercury-in-flight pose, gesturing to her bedroom with the hand-rolled cigarette between her bony bird-claw fingers. "I call it 'Daddy!'" she snickers, bobbing her head, rocking and weaving her body as she chats on about her mother's loose lifestyle and marriages.

"She deserves an honorary membership in Whores and Other Little Sluts." Whores and Other Little Sluts (*Nutten und Nuttchen*) is what some consider the lunatic fringe faction of the prostitutes' rights movement in Germany. They recently renamed their group *Prosnost* and are drawing up a plan for reunification of East and West German prostitutes.

Before crossing the border, I take a good look around West Berlin, one wild and decadent place. The whole city is a sexual supermarket, from a porn theater where the audience buys blowjobs instead of buttered popcorn, to a ritzy uptown gift

ONICA IS A 31-YEAR-OLD HOUSEWIFE FROM DES MOINES, IOWA, WHOSE HUSBAND IS AWAY ON BUSINESS. LUCKILY, HER PHOTOGRAPHER FRIEND KELLY IS IN TOWN. "I HAVE A BIG BED IN A MOTEL ROOM JUST GOING TO WASTE," SAYS KELLY, BRUSHING CURLY BLOND HAIR FROM HER EYES. "MONICA ALWAYS WANTS TO FOOL AROUND. SHE'S HORNIER THAN I AM." DOES KELLY FUCK TO TAKE PICTURES OR VICE VERSA? "WHAT'S THE DIFFERENCE?" SHE LAUGHS.

MONICA RUBS HER BRIGHTLY PAINTED LIPS. "I LIKE THE MAKEUP BEST," SHE SAYS. "KELLY BOUGHT THE SEXY CLOTHES IN NEW YORK, BUT I DON'T CARE WHAT I WEAR. WHATEVER I PUT ON, SHE MAKES ME TAKE OFF." SHE SPREADS HER RED NAILS AND SMILES. "THE FIRST THING TO GO WAS MY WEDDING RING!"

EAST GERMANY (continued from page 82)

As we stroll toward the Grand Hotel, the exchange rate strikes me. "Rebecca! We turned tricks for the total of about 51 dollars!"

shop called *Condomi* (Kantstrasse 38) that sells only condoms—every kind, color, size and packaging imaginable.

East Germany turns out to be the weirdest, yet least dangerous, place I've ever been. "Tomorrow is another day" is the only thing anyone can say for sure about the future of East Germany.

Rebecca (a Prosnost member) and I bumble through the border bureaucracy at Freidrichstrasse Station. It is getting late; so we head straight for the synagogue on Oranienburgerstrasse. This area is downright dreary—there are no neon signs, no dope shops, no porn stores and no nearly naked women displaying their wares in windows. In fact, there are no women at all. But there are men; dozens, maybe hundreds. Most of them are circling the block in *Trabants* (tiny cars made from compressed recycled cardboard). They make big-eyed kissy faces at us through their wet car windows like helpless goldfish in glass bowls. Music from *Jaws* plays in my mind as the Trabis come slower and closer with each pass. We

watch them; they watch us. One stops.

Having learned most of my German from Wayne Newton and *Hogan's Heroes*, I give Becca first crack at cooking up a deal. Within a minute, she gets in the car and is gone. As Becca and her date drive off into the darkness, a boyish-looking blond man walks up and talks to me in German. I think he said: "Will you have sex with me for money?" Surely I misunderstood him, after what I'd heard about how oppressed and reserved these people are.

"Haben Sie Marks für Sex?" I coax for clarity.

"Ja!" Now we're cooking!

"Mit Gummi?" I pull an American Trojan out of my pocket. He nods in agreement.

"Wieviel Geld?" I ask. He shrugs his shoulders and asks how much I want. With no consideration of the exchange rate, I figure Becca got 50 for whatever; I ought to try doubling that. He seems delighted, and we drive off.

Several blocks from the synagogue, he turns into a narrow, dark alleyway be-

tween two buildings. It leads to a breathtaking sight: the moonlit carcass of old Berlin, unrebuilt 45 years after the catastrophe. With bombed-out buildings as my backdrop, I pop a Gummi into my mouth and get down to business. Having any kind of sex in a Trabi is akin to tap-dancing in a telephone booth. Even with his seat slid all the way back and my elbow wedged up to my armpit between the steering-wheel spokes, I can't quite get the leverage I need for fellatio. I twist around to reposition myself, and I kick something that slips my seat back. I fall back on it, and he's on top of me in a New York second. I brace one foot on the ceiling and one on the steering wheel. This is like fucking while hanging from a fire escape—it could be fun once, and it was definitely an accomplishment.

As I get out of the car back at the synagogue, another Trabi pulls up; Rebecca hops out laughing. "Great timing!" she yells. We smile from ear to ear.

"Yeah! Was that a second one already?" I ask, thoroughly impressed and amazed.

She nods: "Yep!" and skips up onto the sidewalk.

"We've been here, what, 20 minutes? How did you do two in 20 minutes?"

"They both just wanted handjobs."

"You got 50 for each?"

"The first guy gave me 50, but when I asked what the going rate was, he said most girls charge a little more. He wouldn't be specific. I asked the other guy for 100. He seemed to think it was okay," Rebecca informs me.

"Really? Shit! I just fucked that guy for 100 Marks."

As we stroll toward the Grand Hotel, the exchange rate suddenly strikes me. "Rebecca! We just turned tricks for the total equivalent of about 51 American dollars!"

It's impossible to hail a taxi in East Berlin; so when it starts to rain, we hitch a ride with one of the guys who was trying to pick us up. Since he speaks English, I grill him for information. Aside from the synagogue district, the Interhotels (where only foreign currency can be spent) are the most popular places to pick up freelance prostitutes.

We aren't even out of the car at the Grand Hotel when Rebecca starts flirting with a well-dressed man getting out of a taxi. They strike a deal, and she persuades him to let me and Hans use his room as well. I continue interrogating Hans about life in East Germany over drinks in the Silhouette Room while Becca entertains her gentleman friend. Hans has never heard of anyone being arrested for prostitution or homosexuality. I also find out

GANGS (continued from page 30)

Nationwide—8,773 people were murdered in the year 1965. Then came the gangs. 17,859 people were murdered in 1987.

without delay, and is not to ponder, compromise or make excuses. Once a target has been identified, Carnals are usually allowed ten days to eliminate it.

"They've exceeded the ten days," laughs the former member, "but I still watch my back—constantly."

And for good reason.

Law-enforcement authorities report that La Mesa messages and instructions are often coded and published in one of two magazines: *Teen Angel* and *Low Rider*. "It's the easiest way to circumvent censorship of mail," said the former NF member. La Mesa messages and instructions, including contracts calling for the murder of American citizens, are also smuggled out of the prisons by persons (friends, relatives, etc.) who visit incarcerated gang members.

This clandestine and ongoing communication between convicts and society effectively nullifies the one fundamental purpose of prisons—to protect the public from dangerous criminals.

•Gang leader Howard "Pappy" Mason was convicted of orchestrating (from

prison) the 1988 contract murder of Police Officer Edward Byrne.

•Gang leaders (from prison) have set a \$5,000 bounty on Georgette Watson, an antidrug organizer.

•Tyrone "Double R" Robinson has been charged with murdering Oakland, California, resident Huey Newton in order to improve his status in the prison-based Black Guerrilla Family.

VIOLENCE IS AN ACT OF INTELLIGENCE

—BGF Philosophy

Founded in the 1960s by George Jackson, an inmate-author who was killed in an escape attempt at San Quentin Prison on August 21, 1971, the Black Guerrilla Family (BGF) was originally established as a "black vanguard" of militant convicts. In fact, *Vanguards* was the gang's original name. After Jackson's death, the Vanguards underwent restructuring and ultimately became the Black Guerrilla Family.

The BGF clearly defined (and still adheres to) its "immediate" purpose, an 11-point platform all members must

adhere to. Some of the major objectives are to liberate all members from prisons, to practice revolution 24 hours a day, to destroy dangerous racists, to learn and effectively execute every type and kind of guerrilla action, to take initiative in advancing the revolution and to secure weapons and funds to further these objectives.

Law-enforcement officials report that incarcerated BGF leaders like "Doc" Holiday orchestrate (from their prison cells) community-based drug deals, commercial burglaries, robberies, firearms transactions and contract murders from coast to coast, but claim that detection is hindered because of the BGF's "love of secrecy, rituals and strict hierarchies."

"If I should break my stride and falter at my comrade's side, This Oath Will Kill Me. If ever my word should prove untrue, should I betray this chosen few, This Oath Will Kill Me. Should I submit to greed or lust, should I misuse the people's trust, This Oath Will Kill Me. Should I be slow to take a stand, should I show fear of any man, This Oath Will Kill Me. Should I grow lax in discipline, in time of strife refuse my hand, This Oath Will Kill Me." —BGF Oath

"The gang members can talk to each other," says Salinas, California, Police Officer John Gates, "but they're not supposed to identify themselves as being in the group to anyone else, especially to the police. If they do, they can expect other members to go after them—and kill them."

Weapons are readily available. In 1986, officers seized 56 assault weapons of the Uzi and AK-47 types in Oakland alone. The number rose to 113 in 1987 and to 214 in 1988. In the first three months of the year 1989, 107 of the weapons were confiscated.

Drive-by shootings and other gang violence escalate at a rate that nearly quadruples law enforcement's confiscation of weapons.

Nationwide—8,773 people were murdered in the year 1965. Then came the gangs. 17,859 people were murdered in 1987.

"We will forever continue to eliminate the enemy," warned BGF Field Marshal Warren Fela Jordan, "until we, as a family unit, receive what is rightfully ours."

•Los Angeles: Two-year-old Phillip Fisher shot to death in gang-related drive-by shooting ordered by....

"We'll kill for what we want...." "I was ordered to kill the eight-year-old daughter of a restaurant owner...." "We will forever continue to eliminate the enemy...."

"Enough! How's a guy supposed to sleep with all that goddamn zzznnn, zzznnn, zzznnn going off in his ear?!"

GANGS

Today's gangs will maintain their reign of terror, with members adhering to the orders of incarcerated leaders, until the people of the community rise up and demand that it be halted.

Public perception of the threat of gang violence has burgeoned during the past few years, along with concern about the effectiveness of the criminal-justice system and the prisons throughout our country. Of many shifting currents of popular opinion, one dominates—the desire to get tough.

"How many more children have to die?" cries Juanita Cole, a 22-year-old living in Los Angeles.

To halt gang terror is simply a matter of severing the ongoing communication between incarcerated gang leaders (and members) and the outside soldiers. To return city streets to law-abiding citizens, it's time to implement, for all incarcerated gang leaders as well as gang members, this 1826 Sing Sing Prison policy:

"While confined here you can have no intelligence concerning relatives or friends.... You are to be buried, literally buried from the world."

If not, the gangs will conquer. 🍌

GERMANY

(continued from page 92)

that abortions, prescription birth control and all other medical, dental and optical care services are free to everyone.

Becca has met another working lady named Anica. Anica's been working both sides of the border for quite some time; so she's able to give us the goods on the Interhotel. Anica says rates are very negotiable, ranging from 200 (\$40) to around 1000 (\$400) East Marks for all evening. Common practice is for prostitutes to give their names and addresses at the registration desk so the hotels can keep files on the working women.

Over the next few days, Maxi, Rebecca and I check out lots of places, talk to scads of people and learn tons of stuff. The high rate of abortion is due to the poor quality of birth control (i.e., leaky condoms), which might explain the high rate of STD treatments reported. But just as likely, the government's aggressive policy of tracking down suspected STD carriers and contacts for forced treatment has created a misleading impression.

As for sex laws, the East German legal system is in flux. Opinion vastly ranges among East German officials about whether any laws prohibiting consensual sex are in effect at this time. There are les-

bian and gay bars galore, from leather bars ripped right off San Francisco's Polk Street to the very peculiar Operncafe at Unter den Linden 15. Formerly a ballroom, this massive wine bar is set on what was once a stage with an area for an orchestra. The lighting is reminiscent of a Morrison's cafeteria, with vast expanses of whites, creams, beiges and browns; the dance floor, dotted with dining tables, puts me in mind of a sepia '40s movie, except for the Fellini queens drinking shocking blue curaços here and a Norman Rockwell family there, not to mention the secretarial pool at a round table in the middle. It all brings on an acid flashback; I have to leave.

Everyone recommends the Yucca Disco on Wisbyerstrasse at Neumannstrasse. Anica tells me that she works there occasionally. It's a very small, show-off, pick-up kind of mirrored-ball disco. A sharp doorman stands under an umbrella at a locked wrought-iron gate and picks over the crowd of potential patrons. My party gets in right away. Like many places, the Yucca is packed with Westerners. It's a fine place for dancing, but not for working. Even though Becca runs into an old client there, she says: "It's a big investment for maybe nothing."

The only whorehouse I find is a one-bedroom apartment where one woman lives; two others use it for appointments. The women show me discreet personal ads that people put in the back of magazines. Her apartment reveals her lucrative enterprise: a brand-new bathroom (the only one I saw in all of East Berlin except at Yucca), new water heaters—one in the bathroom and one in the kitchen—aqua satin curtains and a matching spread on a king-size bed. The East Berlin whorehouses aren't exactly the pleasure palaces that bejewel West Berlin, but women aren't hauled off to prison by the thousands like they are in the good ol' U. S. A. either.

The propaganda they hear about us is more accurate than the propaganda we hear about them. What's more, they know it's propaganda; we believe it's news. While everyone seems ecstatic that the Wall is coming down, most people don't want a political system like that in America or even West Germany; they want a better form of socialism. I hope they get it.

Does an instruction book come with that machine, or is she improvising?

ENLARGE YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10 EVEN 12 FULL INCHES!

The **MERLIN** is the **ONLY** Penis Developer you will ever need!

Is the size of your penis bringing you down? Sure, the medical authorities say the size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to **INCREASE PENIS SIZE AND THICKNESS!** The device is called the **MERLIN ELECTRIC VACUUM ENLARGER**. A safe and proven natural way to add inches to penis length and thickness. With the **MERLIN**, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE MERLIN ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. Regular use of the **MERLIN** gently urges the caverns to expand... expand... expand. You'll see the astonishing results the first time you use your **MERLIN**. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG... how really FAT... how LONG... how HARD and STIFF your own penis can get! And after regular sessions with the **MERLIN** you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

THE MERLIN IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of \$100 — the **MERLIN** is "quite as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. The **MERLIN** is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. If you are truly serious about penis enlargement — the **MERLIN** will do the job for you!

Young 'N' Hot

Hi, I'm Toni and I just turned 18. I've done some modeling for clothes and swimwear, but what I really want is to do some wild poses for you. Everyone thinks I'm shy and innocent, if they only knew what I do behind closed doors! Ever since I lost my virginity I've been horny 24 hrs. a day and I've done some bizzare things to satisfy my urges. So if you hurry and send me \$3 for samples or \$5 for 8 color photos, I'll show you what bizzare really means.

ADD 3 to 4 INCHES to Any Size Penis And We Guarantee It!

Plus Add 30% to 40% in diameter!

BATTERY ENERGIZED! DOES THE JOB FOR YOU AND FEELS GOOD TOO!

Our competition offers regular models (not powered) or electric models (uses electricity and may be dangerous) for up to \$40. Now with the original battery-powered Komet sex aid you can prosthetically add 3 to 4 inches to any size penis. All this without strenuous exercise or electricity. The Komet's state-of-the-art engineering produces a steady flow of energy to produce the desired results and pleasurable sensations.

IF THE SIZE OF YOUR PENIS IS IMPORTANT TO YOU, THEN YOU OWE IT TO YOURSELF AND YOUR PARTNER TO ADD 3 OR 4 EXTRA INCHES!

You have everything to gain and nothing to lose. Why use a non-powered unit or risk inserting your penis into an electric unit. (You know liquids, cremes and jells and electricity don't mix and can be dangerous.) Why take chances. We will replace any defective model for 1 year plus shipping and handling charges.

CAUTION: Komet is the original, highest quality battery powered aid. Do not accept any cheaper model at any price.

September HUSTLER on sale July 24, 1990

THE BEST CAN BE BEAT

Next month HUSTLER presents its Honey of the Year. The winner: Claire, whose *Legs for Days* pictorial in October '89 garnered more votes than any Honey in 16 years of competition. Claire's encore beats her original unveiling. Joining Claire in first place are four girls hot enough to make summer start all over again. Two sultry blondes take time off from their window-dressing jobs to model the latest in labia licking; a strawberry blonde in English lace snuggles up to her fleshy pillows; and a country girl rides bareback into the throbbing heartland of Middle America. September is a guaranteed sellout. Get in early.

CHOPPERS AND CLODHOPPERS

Daytona—Florida's cultural epicenter—recently hosted twin bacchanalia: Spring Break for college kids and Bike Week for hard-core two-wheelers. The only thing these guys had in common was beer. Writer Jeff Moses lays bare the tension in *When Cultureless Cultures Clash*, a striking reminder that sometimes opposites do not attract.

TIME TO KILL

September's fiction is a grueling walk to the electric chair with a condemned man who regrets his mistakes. *Countdown to Fry* by L. F. Jordan unfurls the central issue of capital punishment: the long mental route traversed in the short steps from prison cell to electric chair.

FLESH TRADE: UP, UP, UP

Striptease outstrips porn-whoring as the profession of choice for today's aspiring young skin artists. The traditional posture of flashing and fucking for a camera has given way to jiggling to a crowd. Alex Marvel chronicles the bare reality in *Stagestruck Eyefuck: Less Work, More Pay and Applause*.

THE BEST À LA CARTE

There's a difference between face-sitting and party-smothering. Brandon Fuller's September *Sex Play*, "Coming Up for Air," will almost knock you out; *Hot Letters* exposes people who blow their own horns; *Beaver Hunt* dares another block party to bare all; and *Bits & Pieces* presents "Ads That Even HUSTLER Rejected," a hilarious look at ideas too outrageous for print. All in September's HUSTLER. Fall ain't falling yet.
